

Q1: Compared with one year ago, are you more worried or less worried about:**1a. You or your family's health being affected by COVID-19**

More worried now	43
About the same amount of worry	35
Less worried now	16
Was never worried about that	7

1b. You or your family's financial situation being affected by COVID-19

More worried now	40
About the same amount of worry	34
Less worried now	15
Was never worried about that	11

1c. Problems with immigration if you or a family member receives a free vaccine

More worried now	19
About the same amount of worry	22
Less worried now	11
Was never worried about that	47

1d. Problems with immigration if you or a family member receives pandemic-related government assistance

More worried now	22
About the same amount of worry	23
Less worried now	13
Was never worried about that	42

Q2: Which of the following have you experienced? [Mark all that apply]

Tested positive or became sick with COVID	22
Had a close family member who had COVID	52
Know someone/acquaintance who had COVID	58
Lost a loved one to COVID	22
None of these	16

Q3: How worried, if at all, are you that the following people in your life will get seriously sick from the coronavirus?**3a. You**

Very worried	49
Somewhat worried	34
Not at all worried	17

3b. [If kids <=11] Your child(ren) age 11 and younger

Very worried	67
Somewhat worried	22
Not at all worried	11

3c. [If kids 12-18] Your child(ren) between 12-18 years old

Very worried	58
Somewhat worried	28
Not at all worried	14

3d. Another family member or close friend

Very worried	57
Somewhat worried	32
Not at all worried	11

Q4: [If kids 12-18] Have any of your children ages 12 to 18 received a COVID-19 vaccine?

Yes	62
No	38

Q5: [If kids <=11 or unvax kids 12-18] Would having your child vaccinated make you feel more worried or less worried about them getting seriously sick due to the coronavirus?

Less worried about them getting sick due to COVID-19	37
More worried about them getting sick due to COVID-19	32
No difference / Same level of worry about them getting sick due to COVID-19	25
I am not worried about them getting sick due to COVID-19	6

Q6: [If kids 12-18 vaxxed] Ever since your child has been vaccinated, have you felt more worried or less worried about them getting sick due to coronavirus?

Less worried about them getting sick due to COVID-19	48
More worried about them getting sick due to COVID-19	20
No difference / Same level of worry about them getting sick due to COVID-19	27
I am not worried about them getting sick due to COVID-19	5

Q7: During the COVID-19 pandemic, did you or any family member receive assistance from any of the following:

7a. Food assistance from food banks, schools, churches, SNAP, or food stamps

Yes	44
No, did not need it	31
No, did not know about it	11
No, did not qualify	12
No, concerned it could cause immigration problems for me or my family	3

7b. Medicaid, CHIP, or other government-assistance health insurance

Yes	37
No, did not need it	36
No, did not know about it	11
No, did not qualify	12
No, concerned it could cause immigration problems for me or my family	3

7c. Financial assistance to pay for a private or marketplace health insurance

Yes	18
No, did not need it	45
No, did not know about it	18
No, did not qualify	15
No, concerned it could cause immigration problems for me or my family	4

7d. Stimulus checks/payments

Yes	71
No, did not need it	14
No, did not know about it	7
No, did not qualify	6
No, concerned it could cause immigration problems for me or my family	2

7e. Housing or rental assistance

Yes	18
No, did not need it	46
No, did not know about it	16
No, did not qualify	15
No, concerned it could cause immigration problems for me or my family	4

7f. Unemployment benefits

Yes	27
No, did not need it	43
No, did not know about it	10
No, did not qualify	16
No, concerned it could cause immigration problems for me or my family	4

Q8: [Among those who received assistance] How much the did assistance you received from each of the following help you and your family make ends meet and stay healthy?

8a. [If received] Food assistance from food banks, schools, churches, SNAP, or food stamps

Helped a great deal	79
Helped a little	18
Made no difference	3

8b. [If received] Medicaid, CHIP, or other government-assistance health insurance

Helped a great deal	70
Helped a little	23
Made no difference	8

8c. [If received] Financial assistance to pay for a private or marketplace health insurance

Helped a great deal	67
Helped a little	28
Made no difference	5

8d. [If received] Stimulus checks/payments

Helped a great deal	69
Helped a little	25
Made no difference	5

8e. [If received] Housing or rental assistance

Helped a great deal	75
Helped a little	20
Made no difference	4

8f. [If received] Unemployment benefits

Helped a great deal	78
Helped a little	19
Made no difference	4

Q9: In response to the pandemic, Congress and the Biden Administration approved temporary increases to federal public benefit programs. Many of the temporary increases will expire soon. For each of the following temporary pandemic-related benefits and programs, please indicate whether you support or oppose Congress making them permanent:

9a. Increased SNAP or food stamp benefits

Strongly support making permanent	47

Q10: Have you received a COVID-19 vaccine?

Yes	76
No	24

Q11: [If vaccinated] People chose to get vaccinated for many different reasons. Which of these are the most important reasons you decided to get vaccinated? [Mark up to three reasons]

To make sure I could stay healthy	53
To protect my community	33
To protect my family and loved ones	73
To help stop the spread of the virus in general	50
It was required for school or work	14
My doctor said I needed to get vaccinated	12

Q12: [If unvaccinated] People have not been vaccinated for many different reasons. What are the most important reasons you have not been vaccinated? [Mark up to three reasons]

I'm healthy so even if I get COVID, I'll be fine	12
Concerned about safety and side effects	53
COVID vaccines do not have full FDA approval yet	30
[Women] I am pregnant or want to become pregnant in the future	6
Can't get vaccinated due to a medical condition	3
Can't afford to take time off work to get vaccine or deal with side effects	5
Nearest vaccine location is too far, or inconvenient	2
Childcare and work schedules make it hard to schedule, or get a vaccine	5
I already had COVID	13
Tried but could not get one or get an appointment	4
Difficulty with the online registration process	2
Long wait times to get vaccine or schedule appointment	6
Concerns about cost, or having to pay for the vaccine	3
Do not have government-issued ID	3
Might cause immigration problems for me or a family member	2
I don't trust government or want government telling me what to do	32
Unable to access reliable information about vaccines in my own language	3

Q13: [If kids 12-18 vaccinated] Which of the following statements were true for you, in your experience getting your child a COVID-19 vaccine? [Mark all that apply]

It was easy to get a visit with my child's doctor or health care provider to get my child(ren) vaccinated.	52
I had trouble figuring out what steps to take to get my child vaccinated.	13
I had to pay a fee or co-pay (any amount).	8
I had to present proof of insurance.	15
I had to provide identification, such as a driver license or other government ID, to vaccinate my child.	25
I had to wait a long time to schedule an appointment.	18
The nearest location for my child to get a vaccine was not a convenient location or too far.	17
Childcare and work schedule made it difficult to schedule or take my child to get vaccinated.	15
I did not have reliable transportation, making it hard to schedule or take my child to get vaccinated.	9
I had trouble getting reliable information about vaccine safety and effectiveness for children.	13

Q14: [If kids <=11] Once a vaccine is approved and available for children under age 12, which of the following do you plan to do with your child(ren)? [Mark all that apply]

Get them vaccinated right away	48
Wait to hear how it is working	33
Vaccinate only if school or childcare provider requires	9
Definitely will not get them vaccinated	10

Q15: Are your children up to date on their vaccinations, including vaccinations for the flu, chicken pox, DTaP, MMR (measles, mumps, rubella)?

Yes	95
No	5

Q16: [If kids <=11] Vaccines could soon be available for children ages 5 to 11. Thinking about COVID vaccines and your child(ren) age 11 and younger, how concerned are you about the following issues?

16a. COVID-19 vaccines might have serious and harmful side effects

Very concerned about this	50
Somewhat concerned about this	26
At little concerned about this	14
Not at all concerned about this	10

16b. I may need to miss work to get them vaccinated or if side effects make them sick

Very concerned about this	30
Somewhat concerned about this	24
At little concerned about this	12
Not at all concerned about this	34

16c. Concerns about costs or having to pay for the vaccine

Very concerned about this	23
Somewhat concerned about this	24
At little concerned about this	10
Not at all concerned about this	42

16d. I might have to give my social security number or government issued ID to get my child vaccinated

Very concerned about this	24
Somewhat concerned about this	20
At little concerned about this	11
Not at all concerned about this	45

16e. Might cause immigration problems for me or a family member if I take my child to get vaccinated

Very concerned about this	20
Somewhat concerned about this	18
At little concerned about this	9
Not at all concerned about this	53

16f. It is difficult for me to get to a place for them to get a vaccine

Very concerned about this	22
Somewhat concerned about this	20
At little concerned about this	12
Not at all concerned about this	46

16g. I might not be able to get information in a language I understand

Very concerned about this	23
Somewhat concerned about this	19
At little concerned about this	10
Not at all concerned about this	49

**Q17: [If Q16a-g concerned or kids 12-18 unvaccinated] Which of these are your biggest concerns about getting your child vaccinated?
 [Mark up to three concerns]**

COVID-19 vaccines might have serious and harmful side effects	69
I may need to miss work to get them vaccinated or if side effects make them sick	30
Concerns about costs or having to pay for the vaccine	21
I might have to give a social security number or government issued ID to get my child vaccinated	18
Might cause immigration problems for me or a family member if I take my child to get vaccinated	14
It is difficult for me to get to a place for them to get a vaccine	16
I might not be able to get information in a language I understand	13

**Q18: [If kids 12-18 vaccinated or will vaccinate kids <=11] Which were the most important reasons you decided to vaccinate your child(ren)?
 [Mark up to three reasons]**

The vaccines are safe and effective and outweigh the risks of side effects	32
To protect my community	29
To protect my family’s health	62
My child wants/wanted to be vaccinated	22
We want to get back to normal	28
My child’s doctor recommended it	16
To make sure my child can have a safer return to school	38

Q19: [If kids 12-18 unvaccinated or won’t vaccinate/unless required kids <=11] Which were the most important reasons you decided not to vaccinate your child(ren)? [Mark up to three reasons]

I don’t believe COVID-19 is serious for children	18
Unknown future side effects	62
I can protect my child with other measures like social distancing or masks	26
I tried but was not able to get an appointment	8
I don’t think that my child can be vaccinated because of a serious medical condition or disability	11
I don’t want the government telling me what to do with my children	27
Religious reasons	10

Q20: Many different people and groups are sharing information and making recommendations about COVID-19 vaccines for children. How much do you trust the following people or groups who have talked about and made recommendations about COVID-19 vaccines?

20a. Government or public health officials

Trust a great deal on the issue of COVID vaccines	46
Don't completely trust on this issue, but willing to listen to what they have to say	39
Do not trust on the issue of COVID vaccines	16

20b. Your child's health care provider such as doctors, nurses

Trust a great deal on the issue of COVID vaccines	62
Don't completely trust on this issue, but willing to listen to what they have to say	30
Do not trust on the issue of COVID vaccines	8

20c. Community-based health workers such as promotoras

Trust a great deal on the issue of COVID vaccines	42
Don't completely trust on this issue, but willing to listen to what they have to say	41
Do not trust on the issue of COVID vaccines	17

20d. Pharmacist

Trust a great deal on the issue of COVID vaccines	50
Don't completely trust on this issue, but willing to listen to what they have to say	38
Do not trust on the issue of COVID vaccines	12

20e. Teachers or school administrators

Trust a great deal on the issue of COVID vaccines	36
Don't completely trust on this issue, but willing to listen to what they have to say	45
Do not trust on the issue of COVID vaccines	19

20f. Religious leaders

Trust a great deal on the issue of COVID vaccines	27
Don't completely trust on this issue, but willing to listen to what they have to say	41
Do not trust on the issue of COVID vaccines	32

20g. Caregivers or daycare providers

Trust a great deal on the issue of COVID vaccines	34
Don't completely trust on this issue, but willing to listen to what they have to say	45
Do not trust on the issue of COVID vaccines	21

20h. Family members or close friends

Trust a great deal on the issue of COVID vaccines	40
Don't completely trust on this issue, but willing to listen to what they have to say	44
Do not trust on the issue of COVID vaccines	16

20i. Other parents you know

Trust a great deal on the issue of COVID vaccines	28
Don't completely trust on this issue, but willing to listen to what they have to say	48
Do not trust on the issue of COVID vaccines	24

20j. Popular online personalities or influencers

Trust a great deal on the issue of COVID vaccines	25
Don't completely trust on this issue, but willing to listen to what they have to say	36
Do not trust on the issue of COVID vaccines	39

Q21: What has your child's doctor or health care provider recommend or shared with you about vaccinating your child?

Strongly recommend that I get my child vaccinated	41
Provided information, but not a recommendation either way	17
Recommended that I "wait and see" before vaccinating my child	13
Strongly recommended that I do not vaccinate my child	3
Have not discussed this with my child's doctor or health care provider	21
Don't have a health care provider	5

Q22: [If kids 12-18 unvaccinated or won't/waiting vaccinate kids <=11] Which of these would help you feel more comfortable getting your child vaccinated? [Mark all that apply]

More clear information from agencies, like the Center for Disease Control (CDC) or Food and Drug Administration (FDA), telling us that it is safe and effective for kids	46
More time to learn about the side effects and long-term effects of the vaccine on children	50
More information from my or my children's doctor	30
Hearing from parents and people I know whose children have been vaccinated	28
None of these	15

Q23: How much would each of these ideas make getting vaccinated easier for you and others in your community?

23a. Make trusted community members available to help with online registration or making appointments

Help a great deal	47
Help a little	30
Not help at all	12
Would make it harder	1
Not sure / Don't know enough to say	10

23b. Provide transportation to vaccination locations

Help a great deal	51
Help a little	25
Not help at all	13
Would make it harder	2
Not sure / Don't know enough to say	10

23c. Hold vaccination clinics at popular community cultural events

Help a great deal	50
Help a little	28
Not help at all	10
Would make it harder	2
Not sure / Don't know enough to say	9

23d. Hold vaccination clinics on-site at work

Help a great deal	51
Help a little	26
Not help at all	11
Would make it harder	2
Not sure / Don't know enough to say	10

23e. Provide vaccinations at schools, day cares, and children's sports events

Help a great deal	52
Help a little	26
Not help at all	11
Would make it harder	2
Not sure / Don't know enough to say	9

23f. Financial assistance for parents to replace lost income due to taking time off work to get themselves or children vaccinated or deal with side effects.

Help a great deal	53
Help a little	26
Not help at all	11
Would make it harder	1
Not sure / Don't know enough to say	9

23g. More flexible hours at vaccine locations

Help a great deal	56
Help a little	26
Not help at all	10
Would make it harder	1
Not sure / Don't know enough to say	7

23h. Remove identification requirements so children and parents can get vaccines without fear of immigration problems.

Help a great deal	49
Help a little	24
Not help at all	12
Would make it harder	2
Not sure / Don't know enough to say	12

23i. Make COVID vaccines available when children receive other routine vaccines

Help a great deal	53
Help a little	27
Not help at all	10
Would make it harder	2
Not sure / Don't know enough to say	9

Q24: Do you support or oppose the following ideas to get more people vaccinated?

24a. Require all students and school staff get vaccinated to attend school in person

Strongly support	50
Somewhat support	20
Somewhat oppose	9
Strongly oppose	15
Not sure / Don't know enough to say	6
