

**Q1: Compared with one year ago, are you more worried, or less worried about:**

**q1a. You / your family's health being affected by COVID-19**

More worried now	23
About the same amount of worry	33
Less worried now	34
Was never worried about that	10

**q1b. You / your family's financial situation being affected by COVID-19**

More worried now	31
About the same amount of worry	32
Less worried now	27
Was never worried about that	10

**q1c. Problems with immigration if you or a family member receives a free COVID-19 vaccine**

More worried now	13
About the same amount of worry	20
Less worried now	18
Was never worried about that	50

**q1d. Problem with immigration if you or a family member receives pandemic-related government assistance.**

More worried now	14
About the same amount of worry	22
Less worried now	15
Was never worried about that	49

**Q2: Which of the following have you experienced? (all that apply)**

Tested positive or became sick with COVID-19	50
Had a close family member who had COVID-19	63
Know someone/acquaintance who had COVID-19	63
Lost a loved one to COVID-19	27
None of these	8

**Q3: How worried, if at all, are you that the following people in your life will get seriously sick from the coronavirus?**

**q3a. You**

Very worried	35
Somewhat worried	39
Not at all worried	26

**q3b. [If kids 6mo-4yr] Your child(ren) age 6 months to 4 years old**

Very worried	58
Somewhat worried	28
Not at all worried	14

**q3c. [If kids 5-11] Your child(ren) age 5 to 11 years old**

Very worried	56
Somewhat worried	31
Not at all worried	13

**q3d. [If kids 12-15] Your child(ren) age 12 to 15 years old**

Very worried	49
Somewhat worried	34
Not at all worried	17

**q3e. [If kids 16-18] Your child(ren) age 16 to 18 years old**

Very worried	47
Somewhat worried	35
Not at all worried	18

**q3f. Another family member or close friend**

Very worried	45
Somewhat worried	40
Not at all worried	15

**Q4: People chose to get vaccinated for many different reasons. Which of these are the most important reasons you decided to get vaccinated? (Up to 3 responses)**

To make sure I could stay healthy	49
To protect my community	27
To protect my family and loved ones	77
To stop the spread of the virus generally	46
It was required for school or work	23
My doctor said I needed to get vaccinated	9

**Q5: People have not been vaccinated for many different reasons. Which of these are the most important reasons you have not been vaccinated? (Up to 3 responses)**

I'm healthy so even if I get COVID-19, I'll be fine.	18
Concerned about the safety and side effects.	66
Can't afford to take time off work to get the vaccine or deal with side effects	11
I already had COVID-19	29
Not worried about getting COVID-19	19
Not sure where to get reliable information about the vaccine	16
Concerns about costs or having to pay for the vaccine	8
Do not have government-issued ID	3
Might cause immigration problems for me or a family member	3
I don't want the government telling me what to do	24
Unable to access information about the vaccine in my own language	2
Another reason	6

**Q6: People had different experiences and responses to the COVID-19 pandemic. What about you? Due to the pandemic, have you experienced any of the following in the past year (12 months)? (all that apply)**

Depression	34
Anxiety	48
Loneliness	24
Feeling down or hopeless	35
None of these	34

**Q7: Are your children up-to-to date on their vaccinations, including vaccinations for flu, chicken pox, DTaP, MMR (measles, mumps, rubella)?**

**q7a. Age 4 or younger**

Yes, up-to-date on these vaccines	85
No, not up-to-date with these vaccines	9
Don't know / Not sure	5

**q7b. Age 5-11**

Yes, up-to-date on these vaccines	90
No, not up-to-date with these vaccines	8
Don't know / Not sure	2

**q7c. Age 12-15**

Yes, up-to-date on these vaccines	93
No, not up-to-date with these vaccines	5
Don't know / Not sure	2

**q7d. Age 16-18**

Yes, up-to-date on these vaccines	92
No, not up-to-date with these vaccines	6
Don't know / Not sure	2

**Q8: Many different people and groups are sharing information and making recommendations about COVID-19 vaccines for children. How much do you trust the following people or groups who have talked about and made recommendations about COVID-19 vaccines?**

**q8a. National and local government and public health officials**

Trust a great deal on the issue of COVID-19 vaccines	37
Don't completely trust, but willing to listen	35
Do not trust on the issue of COVID-19 vaccines	20
Not sure	8

**q8b. Your child's health care provider, such as a doctor or nurse**

Trust a great deal on the issue of COVID-19 vaccines	59
Don't completely trust, but willing to listen	26
Do not trust on the issue of COVID-19 vaccines	10
Not sure	5

**q8c. Community-based health workers, such as promotoras/promotores**

Trust a great deal on the issue of COVID-19 vaccines	32
Don't completely trust, but willing to listen	36
Do not trust on the issue of COVID-19 vaccines	20
Not sure	12

**q8d. Teachers or school administrators**

Trust a great deal on the issue of COVID-19 vaccines	27
Don't completely trust, but willing to listen	39
Do not trust on the issue of COVID-19 vaccines	24
Not sure	10

**q8e. Caregivers or daycare providers**

Trust a great deal on the issue of COVID-19 vaccines	26
Don't completely trust, but willing to listen	36
Do not trust on the issue of COVID-19 vaccines	24
Not sure	14

**q8f. Religious leaders in your community or faith**

Trust a great deal on the issue of COVID-19 vaccines	19
Don't completely trust, but willing to listen	29
Do not trust on the issue of COVID-19 vaccines	37
Not sure	15

**q8g. Family members, close friends**

Trust a great deal on the issue of COVID-19 vaccines	30
Don't completely trust, but willing to listen	42
Do not trust on the issue of COVID-19 vaccines	18
Not sure	10

**q8h. Other parents you know**

Trust a great deal on the issue of COVID-19 vaccines	20
Don't completely trust, but willing to listen	40
Do not trust on the issue of COVID-19 vaccines	26
Not sure	13

**q8i. Health or lifestyle experts you follow online (Instagram, YouTube, Facebook, or podcasts)**

Trust a great deal on the issue of COVID-19 vaccines	22
Don't completely trust, but willing to listen	35
Do not trust on the issue of COVID-19 vaccines	31
Not sure	13

**q8j. Doctors or health experts in the news**

Trust a great deal on the issue of COVID-19 vaccines	51
Don't completely trust, but willing to listen	30
Do not trust on the issue of COVID-19 vaccines	12
Not sure	7

**q8k. Videos and links your friends and family post on social media**

Trust a great deal on the issue of COVID-19 vaccines	18
Don't completely trust, but willing to listen	33
Do not trust on the issue of COVID-19 vaccines	37
Not sure	13

**Q9: How often do you use the following to receive information about COVID-19?**

**q9a. TV News**

Daily	35
A few times a week	29
A couple of times a month	16
Rarely or never	21

**q9b. Facebook**

Daily	29

**Q10: What has your child's doctor or health care provider recommended or shared with you about vaccinating your children who are:**

**q10a. 6 months to 4 years old**

Strongly recommended getting my child vaccinated	36
Provided information, but not a recommendation either way about getting my child vaccinated	21
Recommended that I "wait and see" before vaccinating my child	14
Strongly recommended I do not vaccinate my child	2
Have not discussed this with my child's doctor or health care provider	25
My child doesn't have a doctor or health care provider	1

**q10b. Age 5-11**

Strongly recommended getting my child vaccinated	52
Provided information, but not a recommendation either way about getting my child vaccinated	20
Recommended that I "wait and see" before vaccinating my child	10
Strongly recommended I do not vaccinate my child	3
Have not discussed this with my child's doctor or health care provider	15
My child doesn't have a doctor or health care provider	1

**q10c. Age 12-15**

Strongly recommended getting my child vaccinated	60
Provided information, but not a recommendation either way about getting my child vaccinated	19
Recommended that I "wait and see" before vaccinating my child	9
Strongly recommended I do not vaccinate my child	2
Have not discussed this with my child's doctor or health care provider	10
My child doesn't have a doctor or health care provider	1

**q10d. Age 16-18**

Strongly recommended getting my child vaccinated	64
Provided information, but not a recommendation either way about getting my child vaccinated	16
Recommended that I "wait and see" before vaccinating my child	5
Strongly recommended I do not vaccinate my child	3
Have not discussed this with my child's doctor or health care provider	10
My child doesn't have a doctor or health care provider	3

**Q11: Do you think the following ideas would make getting vaccines easier?**

**q11a. Provide vaccinations at schools, day cares, and children's sports events**

Help a great deal	47
Help a little	24
Not help at all	15
Make it harder	4
Don't know	11

**q11b. Financial assistance for parents to replace lost income due to taking time off work to get themselves or children vaccinated or deal with side effects**

Help a great deal	55
Help a little	24
Not help at all	11
Make it harder	2
Don't know	9

**q11c. More flexible hours at vaccine locations**

Help a great deal	52
Help a little	28
Not help at all	10
Make it harder	1
Don't know	8

**q11d. Remove identification requirements so children and parents can get vaccines without fear of immigration problems**

Help a great deal	49
Help a little	23
Not help at all	12
Make it harder	3
Don't know	13

**q11e. Make COVID-19 vaccines available when children receive other routine vaccines**

Help a great deal	54
Help a little	23
Not help at all	12
Make it harder	3
Don't know	8

**Q12: Do you support or oppose requiring all students and staff get vaccinated in order to attend K-12 school, preschool, or daycare?**

Strongly support requiring vaccinations	39
Somewhat support requiring vaccinations	26
Somewhat oppose requiring vaccinations	13
Strongly oppose requiring vaccinations	16
Don't know	7
TOTAL SUPPORT	64
TOTAL OPPOSE	29

**Q13: Children had different experiences and responses to the COVID-19 pandemic. What about your children? Due to the pandemic, have any of your children experienced any of the following in the past year (12 months)? (all that apply)**

Depression	16
Anxiety	26
Loneliness	19
Feeling down or hopeless	15
Less interest in in-person activities	23
Falling behind in school / academics	26
Less interest in participating in physical activities	23
None of these	39

**Q14: If you noticed any possible mental health issues with your child such as depression, anxiety, and loneliness, would you speak with a doctor or mental health counselor about it?**

Yes	74
No	20
Don't know	6

**Q15: What type of COVID-19 vaccine did your child receive?**

**q15a. Age 4 or younger**

Pfizer or BioNTech	55
Moderna	18
Johnson & Johnson (Janssen)	19
Another brand	3
Don't know which brand	5

**q15b. Age 5-11**

Pfizer or BioNTech	67
Moderna	18
Johnson & Johnson (Janssen)	9
Another brand	1
Don't know which brand	5

**q15c. Age 12-15**

Pfizer or BioNTech	69
Moderna	15
Johnson & Johnson (Janssen)	11
Another brand	0
Don't know which brand	4

**q15d. Age 16-18**

Pfizer or BioNTech	65
Moderna	19
Johnson & Johnson (Janssen)	12
Another brand	0
Don't know which brand	4

**Q16: Ever since your child, or children, have been vaccinated, have you felt more worried or less worried about them getting sick due to the coronavirus?**

Less worried about them getting sick due to COVID-19	56
More worried about them getting sick due to COVID-19	14
No difference/same level of worry	23
I am not worried them getting sick due to COVID-19	7

**Q17: Did any of your children who have received a COVID-19 vaccine ever:**

**q17a. Age 4 or younger**

Test positive, or get sick with COVID-19 BEFORE getting a COVID-19 vaccination	29
Test positive, or get sick with COVID-19 AFTER getting a COVID-19 vaccination	23
None of these	54

**q17b. Age 5-11**

Test positive, or get sick with COVID-19 BEFORE getting a COVID-19 vaccination	24
Test positive, or get sick with COVID-19 AFTER getting a COVID-19 vaccination	23
None of these	56

**q17c. Age 12-15**

Test positive, or get sick with COVID-19 BEFORE getting a COVID-19 vaccination	23
Test positive, or get sick with COVID-19 AFTER getting a COVID-19 vaccination	21
None of these	59

**q17d. Age 16-18**

Test positive, or get sick with COVID-19 BEFORE getting a COVID-19 vaccination	25
Test positive, or get sick with COVID-19 AFTER getting a COVID-19 vaccination	25
None of these	53

**Q18: Which were the most important reasons you decided to vaccinate your children? (all that apply)**

Vaccines are safe and effective, the benefits outweigh the risks of side effects	23
To minimize severity of symptoms even if my child gets COVID-19 (so it won't be "that bad")	39
Vaccines provide the best protection against COVID-19. They are better than "natural immunity" that comes from getting infected by COVID-19.	30
To protect my community	17
To protect my family's health	50
My child wanted to be vaccinated	16
We want to get back to normal	24
My child's doctor/health care provider recommended it	18
It was required by my child's school or daycare	13

**Q19: For each of your children that have been vaccinated, do you know if they are eligible for a COVID-19 vaccine booster shot?**

**q19a. Age 4 or younger**

Yes, eligible, and received booster	42
Yes, eligible, but has NOT received booster	17
No, not yet eligible for a booster	22
Don't know/ Not sure	20

**q19b. Age 5-11**

Yes, eligible, and received booster	51
Yes, eligible, but has NOT received booster	19
No, not yet eligible for a booster	10
Don't know/ Not sure	20

**q19c. Age 12-15**

Yes, eligible, and received booster	54
Yes, eligible, but has NOT received booster	21
No, not yet eligible for a booster	7
Don't know/ Not sure	18

**q19d. Age 16-18**

Yes, eligible, and received booster	61
Yes, eligible, but has NOT received booster	20
No, not yet eligible for a booster	6
Don't know/ Not sure	13

**Q20: People have decided not to get boosters for their children for many different reasons. Which of these are the most important reasons that your child has not received a booster? (select up to three)**

The first vaccine provided enough protection	24
My child/children already protected because they had COVID-19 and one COVID-19 shot/vaccine	25
The first vaccine caused bad side effects	11
Boosters are not effective, many people who get sick/test positive for COVID-19 had booster shots	17
Have not had time / Can't take time off of work to bring child to be vaccinated	37
Worried booster will be expensive or cost money	7
Need more information to make a decision	32

**Q21: Would getting your unvaccinated child (or children) vaccinated make you feel more worried/stressed or less worried/stressed about them getting seriously sick due to the coronavirus? If they were vaccinated, would you feel:**

Less worried about them getting sick due to COVID-19	29
More worried about them getting sick due to COVID-19	21
No difference/same level of worry	38
Not worried about them getting sick due to COVID-19	13

**Q22: [If any children unvaccinated] Which of these are the most important reasons your child (or children) has not been vaccinated? (all that apply)**

I don't believe COVID-19 is a serious illness for children	13
Unknown long-term side effects	46
I can protect my child with other measures such as social distancing or masks	20
My child cannot be vaccinated because of a serious medical condition or disability	5
I believe COVID-19 vaccines are not safe	27
I do not ever allow my child to get any kind of vaccination	5
I don't want the government telling me what to do with my children	16
I have a religious objection to vaccinating my child	6
I may need to miss work for a few days if the vaccine or side effects make them sick	10
I need more information about the vaccines in a language I understand	16
I would like to vaccinate my child, but have been unable to	18

**Q23: [If Q22=would like to, but haven't been able to] Which of the following issues have made it difficult for you to get your child (or children) vaccinated? (all that apply)**

Can't take time off of work to take them to get vaccinated	36
Concerned or worried about having to provide social security numbers or government issued ID to get my child vaccinated	16
Concerned or worried it could cause immigration problems for me or a family member	11
Unable to get an appointment	17
It is hard for me to get my child to a place to get them vaccinated	30
Concerned/worried about costs or having to pay for the vaccine	14
Another reason	20

**Q24: [If any children unvaccinated] Which of these would help you feel more comfortable getting your child vaccinated? (all that apply)**

More clear information from agencies, like the Center for Disease Control (CDC) or Food and Drug Administration (FDA), telling us that it is safe and effective for kids	36
More time to learn about the side effects and long-term effects of the vaccine on children	50
More information from my or my children's doctor	24
Hearing from parents and people I know whose children have been vaccinated	24
None of these	22
Another reason	1

**Q25: [If children age 6 months-4 yrs unvaccinated] Now that COVID-19 vaccines for children under five have been approved and are available, what do you plan to do with your child (or children) who are under five years old?**

Get them vaccinated as soon as possible	15
Ask their doctor or health care provider, and follow their recommendation	19
Wait a while to see how it is working	29
Only get them vaccinated if school or child care requires it	11
Definitely not getting them vaccinated	21
Don't know	6

**Q26: [If children age 6 months-4 yrs unvaccinated] Thinking about COVID-19 vaccine options for your child (or children) under age five, which would you prefer?**

Pfizer vaccine, which requires THREE doses	21
Moderna vaccine, which requires TWO doses	18
Either would be fine, no preference.	14
Neither, don't plan to vaccinate my children under age 5	27
Need more information about both to make a decision	20

**Q27: [If children 6 months-4 yrs unvaccinated] Thinking about COVID-19 vaccines and your children under age 5, how concerned are you about the following issues?**

**q27a. COVID-19 vaccines might have serious and harmful side effects**

Very concerned about this	50
Somewhat concerned about this	22
At little concerned about this	14
Not at all concerned about this	13
TOTAL CONCERNED	72
TOTAL NOT CONCERNED	28

**q27b. I may need to miss work for a few days if the vaccine or side effects make them sick**
