+ About us

UnidosUS is a nonprofit, nonpartisan organization that serves as **the nation's largest Hispanic civil rights and advocacy organization**. Since 1968, we have challenged the social, economic and political barriers that affect Latinos through our unique combination of expert research, advocacy, programs and an [Affiliate Network](#) of more than 300 community-based organizations across the United States and Puerto Rico. We believe in an America where economic, political and social progress is a reality for all Latinos, and we collaborate across communities to achieve it.
